

Pearl Home Sustainable Yard Program

Looking to green up your [Lynnhaven watershed](#) property, but can't find the money to do it?

LRNow is offering Rain Gardens, Infiltration Trenches, Large Rain Barrels, and Urban Nutrient Management Plans as part of a new cost share program.

Interested? Sign up for a site survey of your property to discern whether you are an appropriate candidate!

Contact our office (757)962-5398 or trista@lrnow.org for more information on how you can implement an eligible BMP on your property!

*Multifamily properties not eligible
